*This recipe yields enough drink for two large servings.*

## **Ingredients:**

3 cups of crushed ice or ice cubes.

1 ½ cups of cold coffee.

½ cup of whole milk.

½ cup of granulated sugar.

2 tablespoons of caramel syrup.

1 teaspoon of chocolate syrup.

¼ teaspoon of salt.

Pinch of vanilla extract.

## **Directions:**

In a blender, combine the cold coffee, whole milk, sugar, caramel and chocolate syrups, and salt.

Blend on medium speed for 20 seconds.

Add a pinch of vanilla extract and 3 cups of ice. Blend on high speed until the drink is smooth and creamy.

Serve as desired.
